

Global Insight

Working together across the globe, Blacktree professionals share knowledge, expertise and resources in an effort to improve the performance of our portfolio of investments.

Blacktree executives share their views and expertise on a range of investment, public policy and economic matters through podcasts, commentaries, policy papers, TV interviews, speeches and presentations.

Status of world economy

The global cyclical upswing that began midway through 2016 continues to gather strength. Only a year and a half ago, the world economy faced stalling growth and financial market turbulence. The picture now is very different, with accelerating growth in Europe, Japan, China, and the United States.... [\[More\]](#)

Irish Economic Backdrop

In many ways 2016 was a transitional year for the Irish property investment market. Admittedly, critical elements of the landscape remained largely unchanged from 2015. For example the Irish economy continued to perform very strongly with output expanding by 5.2%.....[\[More\]](#)

Asia Pacific: Making the Most of the Upswing

For Asia, Growth Pickup Provides Opportunity for Reforms

Asia continues to lead the global economy with strong growth projected at 5.6 percent this year and 5.5 percent in 2018. The strength of many economies in the region provides an opportunity to pursue key reforms that can amplify and accelerate their beneficial effects, boosting living

standards for all, said the IMF in its latest regional assessment.....[\[More\]](#)
